### ABOUT OUR COMPANY

SB Digital, A sister concern of Basic Group, stands as a premium garments trims manufacturer and exporter in Bangladesh. From the beginning, the company has consistently kept its spot as a key figure in the industry.

Our product portfolio includes High Frequency, Knit fabric, Leather Item, Screen Print Item and sublimation Print Item. With a commitment to Quality and innovation, SB Digital continues to make a significant impact in the textile and trims manufacturing sector.

## SB DIGITAL

A SISTER CONCERN OF BASIC GROUP & A RELIABLE SOURCE FOR ALL KINDS OF PRINTED ACCESSORIES.

Welcome to SB Digital, a proud member of the Basic Group family. Since our founding, we have dedicated ourselves to delivering exceptional quality and innovation in the garment industry. Our commitment to excellence has made us a trusted company in Bangladesh and beyond.

At SB Digital, our dedicated team works tirelessly to exceed your expectations. We believe that quality and innovation are the keys to success, and we strive to deliver both in every product we create. Our commitment to being eco-friendly and ethical means we not only meet industry standards but also help the environment and our community.

Thank you for your trust and support. We value our partnership and are excited about the opportunities ahead. Together, we will continue to grow and make significant strides in the textile industry. We look forward to a successful journey with you.
